INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
Physicians for Social Responsibility, Inc.
Washington, DC

We have audited the accompanying financial statements of Physicians for Social Responsibility, Inc., which comprise the statement of financial position as of December 31, 2017, and the related statements of activities, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Physicians for Social Responsibility, Inc. as of December 31, 2017, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Report on Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The schedule of functional expenses is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was

PHYSICIANS FOR SOCIAL RESPONSIBILITY, INC.
NOTES TO FINANCIAL STATEMENTS
December 31, 2017

Physicians for Social Responsibility, Inc. is a non-profit organization located in Washington, D.C. The Organization is dedicated to bringing a medical and public health perspective in its efforts to prevent nuclear war, reverse global warming, and promote clean and renewable energy.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets:

Unrestricted net assets—Net assets that are not restricted by donors. Designations are voluntary board-approved segregations of unrestricted net assets for specific purposes, projects, or investments.

Temporarily restricted net assets—Net assets whose use has been limited by donor-imposed time restrictions or purpose restrictions.

Permanently restricted net assets—Net assets that have been restricted by donors to be maintained by the Organization in perpetuity.

Pledges Receivable

Unconditional pledges receivable are recognized as revenues in the period received and as assets, decreases of liabilities, or expenses depending on the form of the benefits received. Conditional pledges are recognized only when the conditions on which they depend are substantially met and the pledges become unconditional.

Furniture and Equipment

The Organization capitalizes all expenditures for furniture and equipment in excess of \$1,000. Purchased furniture and equipment are carried at cost. Depreciation is computed using the straight-line method.

Investments

Investments in limited partnership interests are carried at cost. Investments consist of a 1% interest in 6th & Pacific Company.

Contributions

Contributions that are restricted by the donor are reported as increases in unrestricted net assets if the restrictions expire (that is, when a stipulated time restriction ends or purpose restriction is accomplished) in the reporting period in which the revenue is recognized. All other donor-restricted contributions are reported as increases in temporarily or permanently restricted net assets depending on the nature of the restrictions. When a restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

NOTE 1—SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Expense Allocation

The costs of providing various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Income Tax Status

The Organization is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code. In addition, the Organization qualifies for the charitable contribution deduction under Section 170(b)(1)(A) and has been classified as an organization other than a private foundation under Section 509(a)(2).

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Date of Management's Review

Management has evaluated subsequent events through April 3, 2018, the date which the financial statements were available to be issued.

NOTE 2—FURNITURE AND EQUIPMENT

Furniture and equipment at December 31, 2017 consist of the following:

Furniture	\$ 25,914
Equipment	<u>64,353</u>
Furniture and equipment	90,267
Less accumulated depreciation	<u>(76,709)</u>
Furniture and equipment - net	<u>\$ 13,558</u>

NOTE 3—PLEDGES RECEIVABLE

Pledges receivable at December 31, 2017 are as follows:

Receivable in less than one year	\$ 182,007
Receivable in one to five years	<u>10,000</u>
Pledges receivable	<u>\$ 192,007</u>

NOTE 4—FAIR VALUE MEASUREMENTS

Fair values of assets measured on a recurring basis at December 31, 2017 are as follows:

	<u>Fair Value</u>	<u>Quoted Price in Active Markets for Identical Assets (Level 1)</u>	<u>Significant Other Observable Inputs (Level 2)</u>	<u>Significant Unobservable Inputs (Level 3)</u>
Beneficial interest in assets held by The Philadelphia Foundation	\$ 29,496	\$ -	\$ -	\$ 29,496

The Organization's beneficial interest in assets held by The Philadelphia Foundation represents an agreement between the Organization and The Philadelphia Foundation in which the Organization transfers assets to The Philadelphia Foundation in exchange for future distributions. The beneficial interest is not actively traded and significant other observable inputs are not available. Thus, the fair value of the beneficial interest is measured at the proportional share of the underlying assets as reported to the Organization by The Philadelphia Foundation. Little information about those assets is released publicly. The estimated value does not necessarily represent the amounts that may be ultimately realized due to the occurrence of future circumstances that cannot be reasonably determined.

The following table presents additional information about assets measured at fair value on a recurring basis using significant unobservable inputs:

Balance - beginning of year	\$ 25,969
Contributions	-
Change in value of beneficial interest included in change in net assets	3,527
Appropriations	-
Balance - end of year	<u>\$ 29,496</u>

NOTE 5—NOTE PAYABLE

In 2002, the Organization received a loan in the amount of \$100,000 from an unrelated third party. The note is non-interest bearing and is payable on demand with 90 days' notice. The obligation of the Organization to pay the note holder shall terminate with, and be cancelled at, the death of the survivor of the note holder.

NOTE 6—DEFINED CONTRIBUTION PLAN

The Organization established a 403(b) retirement savings plan covering substantially all employees. Participants in the plan may contribute up to the maximum amount permitted by the IRS. At its own discretion, the Organization may elect to contribute an amount which is allocated to participants based on their annual compensation as a percentage of all participants' compensation who are eligible to share. In 2017, there were no contributions made to the plan.

NOTES TO FINANCIAL STATEMENTS

NOTE 7—ENDOWMENT

The Organization's endowment consists of one fund held at The Philadelphia Foundation and other funds held in cash. The Philadelphia Foundation has governance over the investment of funds and distribution of fund assets. As required by generally accepted accounting principles, net assets associated with endowment funds are classified and reported based on the existence or absence of donor-imposed restrictions.

The Board of Directors of the Organization has interpreted Massachusetts's enacted version of the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as requiring the preservation of the fair value of the original gift as of the gift date of the donor-restricted endowment funds absent explicit donor stipulations to the contrary.

As a result, the Organization classifies as permanently restricted net assets (a) the original value of gifts donated to the permanent endowment, (b) the original value of subsequent gifts to the permanent endowment, and (c) accumulations to the permanent endowment made in accordance with the direction of the applicable donor gift instrument at the time the accumulation is added to the fund.

The remaining portion of the donor-restricted endowment fund that is not classified as permanently restricted net assets is classified as temporarily restricted net assets until those amounts are appropriated for expenditure by the Organization in a manner consistent with the standard of prudence prescribed by UPMIFA.

In accordance with UPMIFA, the Organization considers the following factors in making a determination to appropriate or accumulate donor-restricted endowment funds: (1) the duration and preservation of the various funds, (2) the purposes of the donor-restricted endowment funds, (3) general economic conditions, (4) the possible effect of inflation and deflation, (5) the expected total return from income and the appreciation of investments, (6) other resources of the Organization, and (7) the Organization's investment policies.

Investment Return Objectives, Risk Parameters, and Strategies. The Organization has adopted investment policies for endowment assets that attempt to provide a predictable stream of funding to programs supported by its endowment while seeking to maintain the original investment of the endowment. Endowment assets include those assets of donor-restricted funds that the Organization must hold in perpetuity. Under this policy, as approved by the board of directors, the endowment assets are invested in a manner that is intended to preserve the earning power of the principal and to grow the principal to at least meet inflation.

To satisfy its long-term rate-of-return objectives, the Organization relies on a total return strategy in which investment returns are achieved through both realized and unrealized gains/loss and interest and dividends. The Organization targets a diversified asset allocation that places a greater emphasis on equity-based investments to achieve its long-term return objectives within prudent risk constraints. The Organization, as far as possible, invests in funds that are fossil fuel free and free from investment in corporations that build nuclear weapons.

Spending Policy. Annually, the Organization's Finance Committee recommends to the Board of Directors the amount of the earnings to be recommended to be disbursed to the Organization from The Philadelphia Foundation. Any undistributed income in excess of amounts required to satisfy the spending rule shall be accumulated and added to the principal.

NOTE 8—LEASES

Office Space

Effective May 2016, the Organization amended its prior office lease agreement and extended the lease 10 years, expiring in April 2026. The lease agreement calls for annual base rent which is scheduled to increase 2.5% each year and also calls for annual additional rent that includes the Organization's pro rata share of real estate taxes and other building operating expenses. The terms of the lease include provisions for a construction allowance up to the amount of \$122,670 and rent abatement, also known as "free rent allowance" for the first two consecutive full months of each of the first four lease years of base rent and additional rent payments.

As of December 31, 2017, the Organization has not used any of the construction allowance. Rent expense for 2017 was \$104,532.

Future minimum payments on the Organization's office lease are as follows:

2018	\$ 87,103
2019	89,063
2020	109,442
2021	111,904
Thereafter	<u>514,443</u>
	<u>\$ 911,955</u>

Capital Leases

The Organization leases equipment under capital leases that expire at various dates through April 2020. The capital leases require monthly payments of principal and interest of \$674. Interest expense for 2017 was \$1,530.

Security program		40,000
Subsequent years' operations		137,742
Endowment earnings		4,496
Temporarily restricted net assets	\$	243,141

Permanently restricted net assets at December 31, 2017 consist of endowment fund assets to be held indefinitely. The income from the assets can be used to support the Organization's mission and programming.

NOTE 10—JOINT COSTS

The Organization achieves some of its programmatic goals in direct mail campaigns that include requests for contributions. The costs of conducting those campaigns included a total of \$135,538 of joint costs that are not directly attributable to either the program components or the fundraising component of the activities. Those joint costs in were allocated as follows:

Joint programs	\$	108,430
